

It may have been grey and rainy during the week but it is sunny in Woodlands. Our sporty children have kicked off the New Year on a winning streak. Mrs L Newton took a team to a Dodgeball Competition on Tuesday evening, with determination and a great attitude, our team came 3rd out of 12 schools. Go Woodlands!

Our team's attitude was so enthusiastic that other schools commented. Very well done to:

- Hannah Turner
- Millie Ross
- Lacey Aulton-Hough
- Amya Ellis
- Jack Statham
- Kru Davies
- James Harris
- Antony Highfield

Thank you to all Y6, 5 and 2 parents who attended Parent Consultation this week, and thank you to those parents that completed a feedback form. Your feedback is very important in helping us improve. One of the comments was regarding staff running behind time. Colleagues want to share as much information as they can with you in the allocated time, which means appointment times run over. A solution that will help is to extend appointments to 10 minutes. We shall put this into action at our next parent consultation evening. Thank you also for the very positive comments that we received such as the use of apparatus in Maths, clear evidence of children's progress, clear personal targets, excellent pastoral support and professional members of staff. Your feedback is appreciated, thank you

Let's hope the sunny weather today, continues into the weekend, Mrs Newton

## Raising Money Together

Thank you to all families for their generosity over the festive period. In our Christmas slippers and Christmas jumpers, on the last day of term, we raised:

> Save The Children - £101 Shelter - £100

Thank you to the Kairo boys for thinking of people who are homeless and making the suggestion that we raise money for the charity Shelter.

2.4.17	Education Sunday at Holy Trinity	
3.4.17	Explore and discovery week: Born To Perform	

7.4.17

24.4.17

Last day of term

School opens for the Summer Term

## Message from the Local Authority about an APP called Roblox

It is being played by young children and is a very popular APP but we believe there is a significant issue with the chat facility in the game. Please be aware that there is a message facility on the game where adults (strangers) can message children.

"We would urge you to delete the app from your children's devices and prevent them from accessing it online. Alternatively, please supervise the use of the game closely."

The following item may support parents: <a href="https://www.net-aware.org.uk/networks/roblox/">https://www.net-aware.org.uk/networks/roblox/</a>

The value we are focussing on next week from our Vision Tree is

'Respectful'

Which is also a British Value.

Our controversial question to discuss at home and in school is:

How do laws help us to be respectful of each other?

Every Monday we celebrate the achievements of our children through the reward of certificates in our 'Celebration of Learning Assembly'. These are the children that earned: Star Of The Week.

Class	Name	Reason
RE	Layton Mayo	Coming into school happily and wearing a Woodlands smile.
	Eliza Brookshaw	Super addition in our Maths focus group.
RJ	Daniel Rose	Always trying his best in everything he does- what a super star.
	Lacey-Mai Walton	Making a wonderful Stick Man- it really is super!
1P	Dixie Howarth	Peer teaching the other children in her group how to use an array to solve a multiplication number sentence. Well done Dixie!
	Logan Hobbs	Vastly improving his score in the Big Maths, Beat That Challenges. Keep up the hard work!
1H	James Bartlett	Always striving to achieve his full potential with a positive attitude. You are a great role model in the class.
2G	Minnie Hunt Alfie Bowyer	For impressing her teachers and working her socks off all week. Well done Minnie! For working his socks off. Alfie is an addition machine.
2RG	Taylor Janes	Demonstrating a positive attitude to all of his learning, trying his best in every lesson and giving 100% in all he does.
3P	Star of the week poorly	To be given next week
3CP	Charlie Fillingham	Super use of expression when reading aloud and clear understanding of the text.
	Olivia Brown	Showing enthusiasm towards her learning.
4N	Lottie Corfield	For super knowledge about locations of rainforests around the world.
	Chloe Whitehouse	For a great explanation of the equator.
4R	Abigail Higginson	Becoming more fluent with her reading.
	Jay Wildman	Super atlas work naming oceans, continents, countries and capitals.
5A	Katie Atkins	For working hard in guided reading to identify examples of figurative language in poems and
		explain why they have been used.
	Isabel Clarke	For hard work in Maths when calculating area and perimeter of rectangles and compound
		shapes.
5T	Vinnie Southall	His new enthusiasm and positive attitude to all his learning- keep it up.
<u> </u>	Neve Bickley	The amazing and sophisticated writing style you're developing. Keep up the hard work.
6E	Jake Riley	Demonstrating great enthusiasm towards preparing for his Wicked Young Writer's Award entry.
	Mr. F. J. F. It I. G.	You made great contributions to class discussions and have already made a wonderful start.
<b>(D</b>	Miss Evan's English Set	Excellent contributions to class discussions during our reading lessons.
6P	Lyla Davies	Great commitment to your learning. You have clearly been revising over the Christmas break
The second	Warwick Howarth	and this has had a very positive impact on your Maths learning.  Fantastic calculation of missing angles including both internal and external angles of shapes.
