

WARNING - A GIANT HAS BEEN SPOTTED AT WOODLANDS...

Y1 have been on the look out for a giant after they found a golden egg, giant footprints (which made a terrible mess of the corridor floor) and other mysterious clues as they delve into the world of Traditional Tales. King Henry VIII (can you guess who?) was also spotted in the vicinity of Y5 earlier in the week. Plus, the Queen (Tegan Hobbs) came to visit during assembly on Wednesday as we re-enacted Queen Elizabeth's coronation from 1953 to commemorate the length of our Monarch's reign.

Just a normal week at Woodlands!

On Monday, colleagues were involved in MarvellousMe training which they are excited to share with you at the family workshops next week. Do you ask your child what they have done during the school day and are you met with an answer of 'Can't remember'?

Well we are hoping that MarvellousMe will solve this problem and provide you with more information so that you can have a conversation about your child's learning and help them to consolidate or understand further. Parents make such a difference to the progress and achievement of their child. Plus, another bonus of MarvellousMe is that it will hopefully make you smile.

Family workshops next week:

- ◇ Monday 14th – Y1, Y2 and Y4 All start at 2:30
- ◇ Tuesday 15th – R, Y3 and Y5 All start at 2:30
- ◇ Wednesday 16th – Y6 starts at 2:30.
- ◇ Wednesday 16th - Morning Nursery at 11:00 / Afternoon Nursery at 2:30

We look forward to seeing you in school next week. Don't worry if our working parents can't make it, further details will be sent out to you.

All the staff now need a lie down after a busy first full week, including me!

Mrs Newton

We are in search of a new lunch supervisor, please pick up an application form from the office if you are interested.

Closing date
Friday 25th
September

Lost and left items will be displayed on Monday 14th after school on the playground by Mrs Richards.

I could open a shop there is that much. Please label your children's clothes and then we can return lost items to your child.

Mobile Phones In School

We have reviewed our mobile phone policy to ensure that we are keeping our children safe. We now ask that any visitors to Woodlands don't use their phone on the school site. Unless they have been given permission for a special event, such as taking photos of a class assembly, a production or sports days.

School Council ask for tuck changes...

We have changes to the tuck shop which will begin on Monday 14th September. School Council have been researching the type of snacks that our children would like to purchase and have designed a list, that will change on a regular basis. We are introducing 'Treat Friday' and healthier snacks during the week. All snacks will be under 50p and could include, fruit yoghurts, frozen jubbies, jelly and milkshake. Fruit and juice will be on sale daily. Our tuck monitors will continue to sell the tuck as we feel it is important that children have real life experience in handling money and 'running a shop'. Toast will continue to be available and can be ordered in exactly the same way it has always been.

REMINDER: Children in Y3 to Y6 have to pay in advance for their school lunches. Money in a labelled envelope can be posted in the office area.

E-safety

E-safety has been a focus in all year groups during the past week as children have been taught age appropriate strategies to help keep themselves safe when they are on-line.

During discussions it emerged that a number of our children (including Reception children) are playing computer games that have a certificate of 18, such as Grand Theft Auto.

Some of the content of these games is extremely explicit, with extreme violence and strong language. Research has proven that exposure to such content desensitizes children to violence and can affect their behaviour.

Every Monday we celebrate the achievements of our children through the reward of certificates in our 'Celebration of Learning Assembly'. There is always a lot to celebrate and we can't share all the certificate winners, but we thought you might like to know who the children were that earned: **Star Of The Week.**
