

# Toys from the Past.

## Year 1

This half term, Year 1 has been learning about old toys. To start our learning unit we had a big bang. One day our teachers collected us from the play ground in costume. Miss Fleetwood was Rex the dinosaur, Miss Edis was Mr Potato Head and Mrs Griffiths was Jessie. We used our detective skills to work out who they were... Then we watched Toy Story to look at toys.

Next we visited Cannock Chase toy Museum to look at old toys. First we learnt about why old toys were dangerous and all about lead paint. Next we did a silly robot dance and then we made our own peg dolls and finger puppets. It was a fantastic day all round but our favourite part was the Punch and Judy show.

Back at school we have been learning more about toys from the past and writing lots of Character descriptions from the film toy story. We have even been making our own Punch and Judy tents and puppets. We can WOW you with our facts about toys from the past.
