

## Science, Discovery Unit, French, RE and Forest School resources for home learning

Please find below a guide for your child's Discovery Unit, RE, Forest School, French and Science home learning, each day includes the amount of work we would normally cover in a lesson (approximately 60 minutes worth of work). We have prepared resources for each day, focussing on a different topic. All of the resources are included in the children's packs and work can be completed on the sheet. It's important we keep children's brains ticking over in order to make sure they continue to make good progress. If you have any questions, then please email either Miss Evans or Miss Chapman. We will get back to you as soon as we can, but please note we might be teaching our key worker children. year6@woodlands.walsall.sch.uk

Thank you for your continued support,

Miss Evans and Miss Chapman
