

Welcome to Year 3 online learning for week beginning Monday 30th March

If you have any questions, then please email Mrs Purcell, Mrs Corbett or Mrs Rich on year3@woodlands.walsall.sch.uk

We will get back to you as soon as we can, but please note we might be teaching our key worker children.

To all our families, stay safe and keep smiling!

We hope you have been keeping busy and enjoying the lovely sunshine.

The tasks below are a guide to support your child during their time at home. To keep learning simmering we encourage pupils to go on TT Rockstars daily to learn their x3, x4 and x8 times tables plus to read a text of their choice and/or a Bug Club reading book on active learn at least 3 or 4 times a week.

Free daily resources

You may have heard about the Body Coach Joe Wicks PE sessions daily. At 9am every week day visit Joe Wicks PE on you tube to view the workout.

Science with Maddie Moate on Youtube weekdays at 11am. Maddie and Greg chat about science and nature.

Dance with Oti Mabuse on you tube – dance classes to get children moving.

Music with Myleene Klass on you tube, twice a week.

Storytime with David Walliams, free story everyday at 11am on his website. www.worldofdavidwalliams.com

Jigsaw

Create a WISH list focusing on things we will do. Every time you wish you could do something, treat ourselves, see someone we love, visit a new place write it down on a post it or piece of paper and put it in a jar. When all of this is over this will be your bucket list and work through the wishes and this will make us grateful for the little things in our lives. ENJOY wishing!

Science

WALT - Recognise that shadows are formed when a light source is blocked.

Question for the week – How does light travel?

<https://www.bbc.co.uk/bitesize/clip/z6fnvcw>

Hopefully it is a sunny day but remember never look directly at the sun as it can be dangerous! Go outside and draw around your shadow. Look at how your shadow changes when you move. If you can, draw around your shadow and stand in the same position at different times during the day. How does your shadow change?

Art

Chase the rainbow!

Create an artistic rainbow to be placed in your window at home to show hope and positivity. You can be as creative as you like using pens, paints, materials or anything you have to make one. Can you remember how we can recall the colours of the rainbow in the correct order?
Richard (red)
Of (orange)
Your (yellow)
Gave (green)
Battle (blue)
In (indigo)
Vain (violet)

Take a photo and send us a copy which we can display when back in school.

French

Recall the colours in French.

Vert =
Bleu =
Rouge =
Gris =
Blanc =
Rose =
Jaune =
Noir =
Marron =
Violet =
Orange =

Practice pronouncing the colours.

Do something that makes you **smile**, relax and enjoy time with family. This could be watch a film, play a board game or bake a cake.
