

Welcome to Year 2 online learning for week beginning Monday 6th April

If you have any questions, then please email year2@woodlands.walsall.sch.uk we will get back to you as soon as we can, but please note we might be teaching our key worker children.

To all our families, stay safe and keep smiling!

I hope that your first week of home learning has gone well! I also hope that you are showing off everything you have learned and can easily apply it to the work that has been given. It is very strange not to see you all every day and we do really miss you!

keep learning simmering we encourage pupils to go on TT Rockstars daily to learn their x2, x3, x5 and x10 times tables plus to read a text of their choice and/or a Bug Club reading book on active learn at least 3 or 4 times a week.

Free daily resources

You may have heard about the Body Coach Joe Wicks PE sessions daily. At 9am every week day visit Joe Wicks PE on you tube to view the workout.

Science with Maddie Moate on Youtube weekdays at 11am. Maddie and Greg chat about science and nature.

Dance with Oti Mabuse on you tube – dance classes to get children moving.

Music with Myleene Klass on you tube, twice a week.

Storytime with David Walliams, free story everyday at 11am on his website. www.worldofdavidwalliams.com

Maths with Carol Vorderman, free access to her maths website www.themathsfactor.com

To keep up to date with news, views and issues we recommend pupils watching news round, which is on daily on CBBC or can be accessed through <https://www.bbc.co.uk/newsround> then click Watch Newsround.

This week's learning will be very similar to the previous week. You will be working through more of the activities that were provided in your packs!

You can do this! You are awesome and it's important that you continue the journey we have been on together, in year Two. Build on the knowledge and skills that you have been taught so far, by doing a task for each of the subjects listed above each day. Remember, to work to the best of your ability at all times.
