Dear Parents

School Lunch Menu Changes – Supply Issues

We have been informed by some of our food suppliers that they have started to have supply issues on some items.

Due to this, there may be some menu changes at short notice.

Tomorrows menu has unfortunately been affected, the menu for Tuesday 14th September will now be KS1 Spaghetti Bolognese, and for KS2 Chicken Curry along with the usual daily options (we will still be able to accommodate specific dietary requirements)

Our apologies for any inconvenience this may cause, we will also discuss these changes with the children in school.

Yours Sincerely

Woodlands Catering Team
