

## Medium Term Plan for Writing Curriculum: Knowledge and Skills Map

### Year 4

#### Basic

**Grammar/Punctuation/Spelling:** Identify in the context of a page from the focus text. / Apply understanding to the context of a selection of simple GPS question. / Begins to try applying in independent writing – not always successfully and generally relies heavily on the examples given in Writing and Grammar teaching.

**Composition:** Identifies the audience and purpose of the writing and draws on the suggestions made in teaching in order to begin to make some adjustments in form and tone based on this e.g. avoiding the use of contractions in more formal pieces of work, avoiding the use of dialogue in information texts.

#### Advanced:

**Grammar/Punctuation/Spelling:** Apply understanding to create sentences for this week's write / Apply understanding to the context of a selection of challenging GPS questions / Applies skill and knowledge in independent writing almost always successfully.

**Composition:** Identifies the audience and purpose of the writing and draws on the models given in order to make choices in form and tone based on this e.g. changing sentence structure, address and use of dialogue based on the audience and purpose.

#### Deep:

**Grammar/Punctuation/Spelling:** Explain the rule or purpose / Evaluate an author's use / Make suggestions for how to improve an author's use / Create a question and corresponding mark scheme in order to assess a peer's understanding of the concept / Design a concept cartoon or model or illustration or set of teaching resources to teach a younger year group about the concept.

**Composition:** Identifies the audience and purpose of the writing and draws on the models given, as well as some wider reading, to make choices in form and tone based on this e.g. distinguishing between the language of speech and writing.

Key:

Objectives that are not highlighted: The child should be demonstrating this objective as it has already been taught. Explicit teaching is required if they are not.

Objectives highlighted in yellow: Objectives that are new and will therefore require explicit teaching.

## Vocabulary, Grammar and Punctuation Learning Journey

The majority of examples have been taken from 'The Day the Crayons Quit' by Drew Daywalt and 'The Boy in the Striped Pyjamas' by John Boyne.

### Preparing for Noun Phrases

Skill Ladder	Key Knowledge	Examples
Identify and use different types of noun. <b>(Year 1)</b>	<p>A noun is a name</p> <p>Types of Noun</p> <ul style="list-style-type: none"> <li>• Concrete – you can sense</li> <li>• Abstract – you cannot sense</li> <li>• Common – general nouns</li> <li>• Proper – specific nouns (names the common noun), require a capital letter</li> <li>• Collective – describe a group as one</li> </ul> <p>Quick ways for spotting nouns – look for a determiner introducing it or a capital letter within a sentence for proper nouns.</p>	<p>I'm not even in the <b>rainbow</b>. (white crayon)</p> <p>Well, poor <b>Duncan</b> just wanted to colour...</p> <p>Key example:</p> <p>One <b>day</b> in <b>class</b>, <b>Duncan</b> went to take out his <b>crayons</b> and found a <b>stack</b> of <b>letters</b> with his <b>name</b> on them.</p> <p>Concrete: Duncan, crayons, letters, class (in this instance – social class would be an abstract concept)</p>

		<p>Abstract: day, name</p> <p>Common: day, class, crayons, stack, letters, name</p> <p>Proper: Duncan</p> <p>Collective: stack ('a' shows the multiple letters are being treated as a single item)</p>
<p>Identify and use different types of adjectives. <b>(Year 1)</b></p>	<p>Describe the noun/pronoun Be careful as they do not always come before the noun</p> <p>Types of Adjectives</p> <ul style="list-style-type: none"> <li>• Comparative – compares one to another (suffix er)</li> <li>• Superlative – compares one to all (suffix est)</li> </ul>	<p>Your <b>overworked</b> friend</p> <p>It makes me <b>crazy</b> that so much of my <b>gorgeous</b> colour goes outside the lines.</p> <p>Note that 'so much' is a determiner in this context as it is introducing a noun and giving the amount.</p> <p>You make me work harder than any of your <b>other</b> crayons.</p>
<p>Identify and use determiners. <b>(Year 2)</b></p>	<ul style="list-style-type: none"> <li>• Introduce a noun as general or specific – do I care which one you bring me? Is it something particular or could it be any one?</li> <li>• All of the numbers can be determiners</li> <li>• Help us to identify nouns – if it has a determiner introducing it then it must be a noun!</li> </ul>	<p><b>One</b> day in class, Duncan went to take out <b>his</b> crayons and found <b>a</b> stack of letters with <b>his</b> name on them.</p> <p>You make me work harder than <b>any</b> of <b>your</b> other crayons.</p>

<p>Identify and use different types of pronouns appropriately for clarity and cohesion and to avoid repetition. <b>(Year 1 – shown as part of subject examples but not explicitly taught) (Year 3 – explicitly taught)</b></p>	<ul style="list-style-type: none"> <li>• Replace the full noun to avoid repetition – try removing the pronoun, can you put a noun in its place? Also, they are not introduced by a determiner.</li> </ul> <p>Types of pronoun</p> <ul style="list-style-type: none"> <li>• Possessive – show belonging, link to apostrophe for possession and possession of the ball in football, often double as a determiner to introduce another full noun.</li> <li>• Relative – introduce a relative clause.</li> <li>• Personal – replace the person who is speaking, who is being spoken to or who is being spoken about – actions can help the students to remember this one. Also, process of elimination – if it isn't the other two then it must be that one!</li> </ul>	<p>I am beige and I am proud.</p> <p>Your very neat friend</p> <p>It's me, Red Crayon.</p> <p>The second reason I write is for my friends, Yellow crayon and Orange crayon, who are no longer speaking to each other.</p> <p>Possessive: Your, my</p> <p>Relative: who</p> <p>Personal: I, It, me</p>
<p>Use relative clauses beginning with who, which, where, when, whose, that or with an implied (i.e. omitted) relative pronoun. <b>(Year 2 – shown as part of expanded noun phrase models but not explicitly taught) (Year 5 – explicitly taught)</b></p>	<ul style="list-style-type: none"> <li>• A clause must contain a verb and subject</li> <li>• Main clause – the main part of the sentence. Independent.</li> <li>• Subordinate clause – the supporting clause. Dependent on the main clause to make sense.</li> <li>• Relative clause – a type of subordinate clause which tells you more about the noun.</li> </ul>	<p>He continued to stroll and whistle and he continued not to look until he reached the window, which, by a stroke of luck, was also low enough for him to be able to see out of.</p> <p>One day he was perfectly content, playing at home, having three best friends for life, sliding down banisters, trying to stand on his tiptoes to see right across Berlin, and now he was stuck here in this cold, nasty house with three whispering maids and a waiter who was both unhappy and angry, where no one looked as if they</p>

		<p>could ever be cheerful again.</p> <p>The second reason I write is for my friends, Yellow crayon and Orange crayon, <b>who are no longer speaking to each other.</b></p>
<p>Use prepositions to express time, place and cause. <b>(Year 2 – shown as part of expanded noun phrase models but not explicitly taught) (Year 3 – explicitly taught)</b></p>	<ul style="list-style-type: none"> <li>• Compares one noun to another.</li> <li>• Time (pre), place (position), cause.</li> <li>• Can also be adverbs of time and place – where and when.</li> </ul> <p>Differentiating between a subordinating conjunction and a preposition:</p> <ul style="list-style-type: none"> <li>• A preposition is used as a part of the clause. ### Conjunctions

A conjunction joins ideas/establishes links and relationships between ideas.

It is important that children are taught the different purposes of conjunctions so that they understand how to use them e.g. additional point, opposite point, giving reasons, when.

- Coordinating – links ideas with equal importance

For  
And  
Nor  
But  
Or  
Yet  
So

- Subordinating – links ideas which do not have equal importance – one idea is the main idea and the other supports it – gives reasons, explains when.

### Adverbs/Adverbial Phrases

- An adverb gives information about the verb – ad 2 verb.
- It usually answers: Where did it happen? When did it happen? How did it happen? How much did it happen?
- An adverbial phrase is a group of words acting as an adverb – doing the job of an adverb
- Note that please is an adverb.
- Do NOT teach children that they are 'ly' words – regardless of their age.

### Prepositions

- Compares one noun to another.
- Time (pre), place (position), cause.
- Can also be adverbs of time and place – where and when.

Differentiating between a subordinating conjunction and a preposition:

- A preposition is used as a part of the clause. There will only be one set of subject/verb
- A subordinating conjunction will join two clauses – there will be two sets of subject/verb – one for each clause which the word is joining together.

### Adverbs/Adverbial Phrases

I'm going to **completely** lose it. (purple crayon)

It makes me crazy that so much of my gorgeous colour goes **outside** the lines. (purple crayon)
