

Queen Mary's High School Queen Mary's Grammar School

December 2021

We are delighted to present information on the Queen Mary's schools. We are committed to empowering social mobility and are proud to serve Walsall (for young people between 11-18 years old) and would like to see more pupils from the town applying for places in our schools.

Who are we? Both schools are state (not fee-paying) secondary schools located in Walsall. Since 2020, Queen Mary's High School (QMHS) has had a year 7 intake of 150 girls and Queen Mary's Grammar School (QMGS) 180 boys. We are diverse communities and our students come from a range of social and ethnic backgrounds. We are easily accessible by public transport and are lucky to have excellent facilities for teaching and learning. We offer a huge range of opportunities to our students and most leave to go onto higher education and professional careers.

What are the entrance requirements? We are selective on entry and all pupils must sit a test as part of this with places being allocated based on the results. In 2018, we changed our admissions arrangements so that **priority was given to pupils who qualified for the pupil premium** (admitted on a lower test score to non-pupil premium). From 2020, we extended this to **give preference to pupil premium children from the local area around our schools**.

For 2023 entry (present Year 5 pupils):

Open evenings:	QMHS 31 ST March 2022; QMGS June 2022
Deadline for registration:	July 2022
Entrance exam:	September 2022
Deadline for LA admissions:	31 ST October 2022

Exact details will be made available on our websites
