

Dear Year 5 and 6 Families

Y 5&6 Morning – School entrance changes.

A number of parents have raised safety concerns regarding Year 5 and Year 6 children entering school through the back gate.

In the last week before half term, two children stepped between the parked cars and were narrowly missed by an overtaking speeding car.

To keep everyone safe, from Monday 13th June we shall return to the pre-covid routine when ALL children enter school through the main entrance off Hunts Lane, the back entrance will no longer be opened. Although, children can begin to enter the school from Hunts Lane from tomorrow.

Thank you for your support
