

Monday 12<sup>th</sup> September 2022

Dear Parents and Carers,

We have now heard that the funeral for Queen Elizabeth II will be held on Monday 19<sup>th</sup> September.

Woodlands Academy will be closed on this day to staff and children so that our families can pay their respects together and mark her incredible life of service.

There is an online Book of Condolence on the Royal website where families can share a message, some of which will be shared with the Royal Family. Please click on the link if this is something that your family would like to do.
