

# Google Meet

Next half term, the Reception Team are planning to deliver **live lessons** each week for RWI, English and Maths. These lessons will form part of your child's essential learning and will provide the children with the opportunity to engage with their teacher, interact with their peers and allow us to address any misconceptions the children may have in their learning. We hope this will also take the pressure of you as parents. At the start of the first session, we would appreciate you coaching your child to mute and unmute their microphone. Once they can confidently do this, they will be able to work independently. We do request that you remain in the same room for the duration of the session; however, it will give you some time to catch up on work or grab a cup of tea or coffee.

The lessons will take place at the same time each week and a member of the team will contact you by phone if your child does not attend the lesson. Please familiarise yourself with the timetable below and check which group your child will be working in.

A copy of our next class text will be available for you to borrow and will be available to collect from the school office from **Friday 12<sup>th</sup> February**. This will enhance your child's learning and will be required for our first live English lesson on **Wednesday 24<sup>th</sup> February**. Please note that there will be a charge for any lost or damaged books.

## Timetable for live lessons:

May we take this opportunity to thank you for all of your support and hard work throughout this difficult time. You have gone above and beyond and have made a huge difference to your child's learning and for that, you should feel extremely proud. Have a well-deserved break this half term and enjoy some down time with your families.
