

Google Meet

Next half term, Year 1 are planning to deliver **live lessons** each week for RWI, Maths and a time talk to talk which will involve a fun activity each week and time for you to talk to your friends.

These lessons will form part of your child's essential learning and will provide the children with the opportunity to engage with their teacher, interact with their peers and allow us to address any misconceptions the children may have in their learning. We hope this will also take the pressure off you as parents.

At the start of the first session, we would appreciate you coaching your child to mute and unmute their microphone. Once they can confidently do this, they will be able to work independently. We do request that you remain in the same room for the duration of the session; however, it will give you some time to catch up on work or grab a cup of tea or coffee.

The lessons will take place at the same time each week and a member of the team will contact you by phone if your child does not attend a lesson.

Please familiarise yourself with the timetable on the next page and check which group your child will be working in.

Timetable for live lessons:

Year Group Google Meet sessions for Year 1	
Monday	<p>Maths – the aim of this lesson is to embed basic skills, improve mathematical fluency, introduce new subjects or address misconceptions. We will be focussing on learning about the new topic that will be being taught the following week. For this session, please ensure you have a pencil and paper (squared if possible). Each lesson will last approximately 30 minutes.</p> <p>10:15am – The link for the lesson will be provided at 10am on the Google Stream on Google Classroom</p>
Tuesday	<p>RWI – during this session, your teacher will recap elements from the daily YouTube lessons and assess how you are progressing in your phonic knowledge. We will identify any areas that you are finding tricky and work with you to improve these.</p> <p>For this session, please ensure you have a pencil and lined paper.
