

# Year 6 Google Meet

This half term, the Year 6 Team are planning to deliver live lessons each week for English and Maths. These lessons will form part of your child's essential learning and will provide the children with the opportunity to engage with their teachers, interact with their peers and allow us to address any misconceptions the children may have in their learning. We hope that this will also take the pressure off you as parents.

The lessons will take place at the same time each week and a member of the team will contact you by telephone if your child does not attend the lesson. Please familiarise yourself with the timetable below and check which group your child will be working in.

## Timetable for live lessons:
