Dear Parents,

Regarding Bryntysilio residential on Monday 17th May

Government advice at this stage is that residential centres can open from 17th May.

Therefore, Bryntysilio are now checking with the schools that are booked in from this point in the summer term will attend. If the answer is yes, then Bryntysilio will officially open on Monday 17th May so our visit could go ahead.

So the question for our families is – are you happy for your child to attend Bryntysilio from Monday 17th May to Friday 21st May? If you are happy for your child to attend then you don't need to do anything at this stage.

If you do not want your child to attend then please contact school as soon as possible. This is important because if not enough children want to go from Woodlands then we would need to cancel.

Bryntysilio will let us know whether they will open by the end of this week, as soon as we hear we shall let you know immediately.

IF the answer is yes from Bryntysilio then we shall move very quickly to organise the visit.

Parents need to be aware that:

- The full balance of the visit will need to be paid before Friday 14th May.
- Kit that is provided by Bryntysilio includes walking boots, wellies and waterproofs. Therefore parents do not need to rush out to buy items.

Never before have we been so late in the organisation of our residential but Mrs Dickson is our group lead and has significant experience in leading this visit. We are confident that we can pull everything together in a couple of weeks.

At this stage the residential is a genuine possibility, we now wait for the final answer from Bryntysilio.

Yours sincerely,

T G Newton
